Umm Maimoonah

The Stories of the Prophets are real true stories and they have many lessons in them. The Prophets and Messengers guide the people and call them to worship Allaah alone. All the Prophets and Messengers had one Message and that is
“Laa ilaaha illallaah”.

So the first of them was Adam عليه السلام and we are going to do some interesting activities about Adam عليه السلام. Are you ready?

Before Allaah created Adam عليه, He had an interesting yet beneficial conversation with the beings that Allaah created with Light. Do you know who they are? Read the following and write who said these words to who!

1. "Verily I am going to create a Khaleefah on the earth."
.....

2. "Will you place therein those who will make mischief and shed blood? while we glorify You with Your Praise and we do sanctify You."
.....

3. "I know indeed what you know not."
.....

4. "Tell me the names of these things if you are true."
.....

5. "Glory be to You, we do not have any knowledge except what You have taught us."
.....

6. "O Adam! Inform them of their names."
.....

7. "Did I not tell you that I know the unseen of the heavens and the earth and I know what you reveal and what you conceal."
-

Well done! Do you know in which Soorah Allaah mentions all of the above? Find out Inshaa Allaah and write the following:

Name of the Soorah :

Soorah Number :

Aayah Numbers :

So Allaah honored Aadam عليه السلام in four ways:

1. Allaah created Aadam عليه السلام with His Hands
2. Breathed into Aadam عليه السلام the soul which He created for Aadam عليه السلام.
3. Commanded the Angels to prostrate before Aadam عليه السلام.
4. Taught Aadam عليه السلام the names of things.

Here are some more interesting questions for you to answer.

Try this!

1. Can you name a type of a creature who made mischief in the land and shed blood before the creation of Adam عليه and mankind?

.....

2. What happened to these creatures when they shed blood and made mischief?

.....

3. According to the Mufasssireen (the scholars who explain the meaning of the Qur'aan), what is meant by "Allaah taught the names of everything to Adam عليه", Names of which things were taught to Adam عليه ?

.....

4. From what did Allaah create the First Man?

.....

5. After Allaah created Adam عليه with His own hands Adam عليه remained as an earthen body for forty years. When the angels passed by and saw him they got frightened. But there was also another being in the company of angels and he used to be the most frightened. He would pass by him and hit Adam عليه and the Body would make a sound of a pottery with a rattle. Who was he?

.....

6. When Allaah breathed the soul into Adam عليه what is the first thing that Adam عليه did?

.....

7. How did Allaah reply to him?

.....

8. It is mentioned in a hadeeth that when Allaah created Adam عليه, Allaah stroked his back and all the souls that were due to be born in his progeny until the Day of Judgment came out of his back. Between the eyes of every human He made a shining light and put them before Adam عليه. Among them Adam عليه saw a man whose shining light attracted him. Then he asked Allaah, "O Lord! Who is he", and "What is his life span"? What are the answers he received?

.....

9. So Adam عليه gave Dawood عليه a number of years from his life span. How many years was that?

.....

10. As mentioned above when Allaah took out the progeny of Adam عليه from his back, He made them bear witness to something very important. What was it?

.....

That was very good, **Alhamdulillah.**

Now here is something for you to think and do.

State if the statements below are **True** or **False**.

- ❖ Allaah created Adam عليه 60 cubits tall.
- ❖ Allaah ordered Adam عليه to go and greet the Jinns.
- ❖ The Angels replied to Adam's عليه greeting with "Yarhamukallaah".
- ❖ Everyone who enters Paradise will enter it in Adam's عليه Image (60 cubits tall).
- ❖ When Allaah created Adam عليه He commanded all the Angels to prostrate to Adam عليه and all of them prostrated.
- ❖ Iblees the evil Jinn at that time was an obedient slave of Allaah and was in the company of the Angels.
- ❖ But Iblees refused to obey Allaah when Allaah said to him to prostrate to Adam عليه.

Mashaa Allaah. Now let's read another conversation that happened and try if you can write who said this to who!

1. "What prevented you from prostrating when I commanded you?"

2. "I am better than him, You have created me from fire and You created him from clay."

3. "Then get down from here, it is not for you to be arrogant in here. Get down! you are surely from amongst the disgraced."

5. "You are of those granted respite."

4. "Give me respite until the Day they all shall be raised."

6. *“Because You have caused me to go astray, I will lie in wait for them on Your Straight Path.”*

7. *“Then I shall come upon them from in front of them and from behind them, and from their right and from their left, and You will not find most of them thankful.”*

8. *“Get out from here disgraced and expelled. Whoever of them followed you, I will certainly fill the Hell with you all.”*

So now you know the above conversation happened when Iblees our open enemy disobeyed Allaah due to arrogance. Allaah sent him out from the company of the Angels. But Iblees did not stop there! As he promised he wanted to mislead Adam عليه and his progeny. Let's see what happens next!

All answers are mixed up.

Choose the correct answers and fill in the blanks.

1. Allaah created the First Woman from the of Aadam عليه السلام.
2. She was Aadam's عليه السلام
3. Allaah made Aadam عليه السلام and his wife live in
4. Allaah told them to eat from anywhere they may desire but not to eat from a particular....., and if they do so they would be from the
5. But whispered to them and the first to eat from the tree was.....and then..... ate too.
6. As soon as they ate from the forbidden and disobeyed Allaah, they became..... and they began covering themselves with..... from the Garden.
7. Then when Allaah called out to them and reminded them of He forbidding them to eat, they realized theirand asked Allaah to them.

8. Allaah them but sent them down to a place called
9. Aadam عليه السلام was created, made to enter Paradise, expelled from it and he died all on a
10. Aadam عليه السلام and Hawwa had many on earth and mankind started growing from there.
11. When Aadam عليه السلام died, washed his body, shrouded it, dug a grave, offered prayers upon him and buried him.

Children wife Angels Hawwa Hawwa tree rib Jannah
wrongdoers Iblees naked Hawwa tree mistake
leaves forgave forgive Friday Earth Aadam عليه السلام

Now it's time again to say who said to who!

1. "Your Lord has only forbidden you to approach this Tree lest you become angels or immortal."

.....

2. "Truly I am a sincere advisor to you."

.....

3. "Were it not for the Children of Israaeel, meats would not become rotten; and were it not for Hawwa, woman would not have cheated their husbands."

.....

4. "Did I not forbid you from that Tree, and say to you that Shaitaan was an open enemy to you."

.....

5. "Our Lord! We have wronged our souls and if you do not forgive us and have mercy upon us, we shall certainly be amongst the losers."

.....

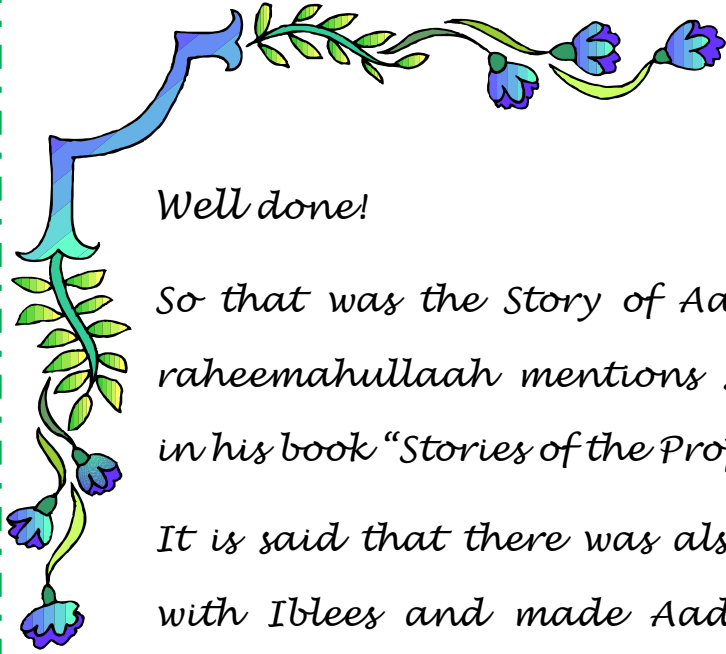

6. "Descend , you are enemies to each other and there is for you in the earth an abode and provision until an appointed time."

.....

Challenge!

Here is a challenge for those of you who are ready for it! Find out all the Soorahs and the Aayahs from the Qur'aan for the above and write them next to your answers.

Well done!

So that was the story of Aadam عليه. Ibn Katheer raheemahullaah mentions some more interesting facts in his book "Stories of the Prophets".

It is said that there was also a snake that came along with Iblees and made Aadam عليه and Hawwa disobey Allaah and Allaah sent down the snake also to the earth. Thus, the Messenger of Allaah عليه ordered to kill the snakes and he said: "We have not compromised with them since we had started our fight with them".

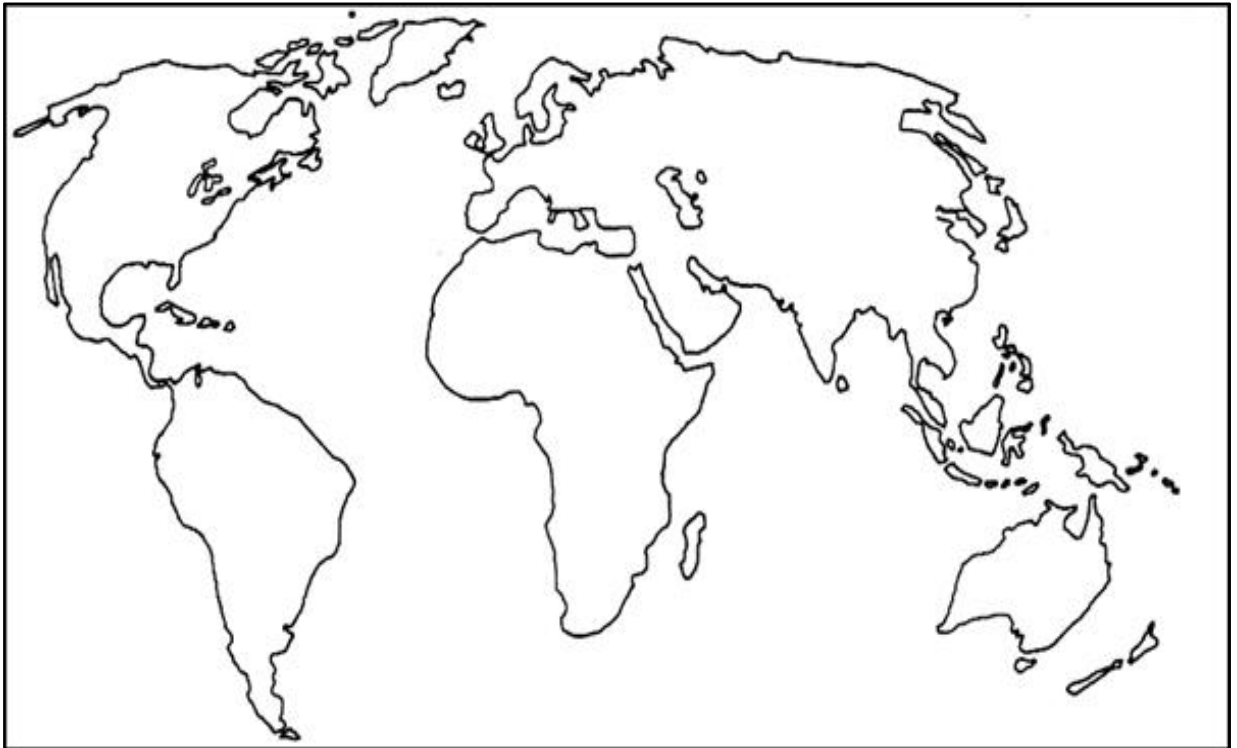

The first food Aadam عليه ate on the earth was bread which he made from sowing and harvesting the 7 grains of wheat Jibreel عليه brought from the same forbidden tree that Aadam عليه ate from. And the first clothes he wore was a Jubbah (a long shirt) woven from the sheep's wool.

Aadam عليه and Hawwa had many children. And the first son of Aadam عليه killed the other son and that was the first murder or killing on this earth.

Activity - Arts and Crafts

Are you ready to do some Arts and Crafts? This is the map of our world the Beautiful Earth that Allaah created and sent Aadam عليه and Hawwah to live in! Can you make a nice collage? Try Inshaa Allaah.

Activity - Making a Paper Mache Globe

Want to explore more of this wonderful earth which Allaah has created as a great sign for us from Him?

Make a paper Mache Globe. Here is a link for you to do this

<http://www.thecraftyclassroom.com/CraftGeographyGlobe.html>

Then find out the types of food that grow in different parts of the earth and stick them or draw them.

Activity - Tissue Paper Globe

What you need

- White Paper
- Green and Blue Tissue paper
- Scissors
- Glue
- Shape of a Circle to trace
- Pencil

How to do

- Place the circle shape onto the paper and trace it
- Cut the tissue papers into small squares
- Scrunch the tissue squares and make a paper ball
- Dip the paper ball into the glue
- Place the glue dipped green and blue paper squares on the white paper within the traced circle shape
- Fill the Circle shape with green and blue tissue paper
- You will have a beautiful Tissue Paper Globe

Activity - Maths Fun!

Do you remember that Aadam عليه was 60 cubits tall?
 Do you know how tall this is? Find out the following:

1. 1 Cubit = centimeters
2. 1 Cubit = meters
3. 1 Cubit = inches
4. 1 Cubit = feet

Then estimate or find out the heights of the following in centimeters and Cubits

Average Adult Man	cm
	Cubits
The World's tallest building	cm
	Cubits
Mount Everest	cm
	Cubits
Adult Giraffe	cm
	Cubits
Aadam عليه	cm
	Cubits

Here is a challenge!

Now find out how many average adult men put together on top of each other would make the size of Aadam عليه. And that would be the size of anyone entering Jannah inshaa Allaah! Do your working below!
